

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

Overall Risk Assessment in the COVID-19 Environment

	Hazard	Control measures	Outcome	Remarks / Re-assessment
A	Safeguarding policy and procedures not updated and / or staff and pupils not feeling safe.	Amend to safeguarding practices sent to staff and shared with parents 03.04.20	Low risk	
B	Government advice not being regularly accessed, assessed, recorded and applied.	Government advice is received on a daily/weekly basis through the Department of Education, Public Health England, Headmasters' and Headmistress' Conference, Independent Schools' Bursars' Association and others. This is reviewed on receipt by members of the SMT/The Nurse and disseminated to other staff/governors as appropriate.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

C	Unions not consulted over plans.	Consultation with Unions occurred via JCC meeting on 15.06.20	Low risk	
D	Changes not regularly communicated to staff, pupils, parents and governors	Any changes to school policies or procedures are communicated to governors through regular meetings and to staff, either through email or recorded video communications or face to face meetings (currently) through Google Meets depending on the importance of the communication. Parents and pupils are updated on a weekly basis through our weekly update communication on key messages as well as through more formal letters to parents depending on the importance and timeliness of the communication.	Low risk	
E	Changes to assessments, procedures and other important matters not reviewed by Governors	All significant changes to risk assessments or procedures will be reviewed by the governors through either the regular schedule of meetings or through calling an emergency meeting if necessary.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

F	Insurers not consulted with school's re-opening and / or amended plans	Confirmed with insurance broker that insurance is valid as long as government guidelines are followed.	Low risk	
G	Suspended services and subscriptions not re-set.	All key services are back up and running.	Low risk	
H	Access to school not controlled effectively and visitor (if allowed) details not recorded.	<p>Year 10 pupils will be asked to enter through the main school entrance and to congregate in the Newsom Hall on these days (chairs set out in a SD manner). Pupils will be instructed to sanitise their hands on entrance.</p> <p>No visitors are to be allowed unless previously agreed with the Principal as essential. Any such visitors will sign in either at the main entrance or directly with the Estates Manager, as appropriate, and be asked to use the hand sanitiser before being allowed in school and will be accompanied.</p>	Low risk	
I	Social Distancing (SD) and other hygiene rules not communicated, understood and applied.	Initial letter/handbook sent to parents setting out SD and hygiene rules. Staff given instructions both in writing	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		and verbally on SD and hygiene rules. Reminder posters around school. Reminder communications to be regularly sent to staff and parents to ensure the rules are adhered to over time.		
J	Staff and pupils not being reminded and checked to ensure they are complying with hygiene and SD rules.	Reminder posters to be in place around school and staff will be regularly reminding pupils to wash hands, use hand sanitiser and remain SD as far as possible. Year 10s will be doing three or four different activities on a carousel and will be instructed to wash their hands between each activity. Staff will be given regular reminders by SMT.	Low risk	
K	Insufficient supplies of hygiene materials and not being suitably placed.	The Nurse has reviewed stocks of tissues, soap, wipes, hand sanitiser which is available in sufficient quantities to be placed in every classroom and communal areas.	Medium risk	Stock levels are sufficient for re-opening and will be monitored but there is a risk of

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		<p>Gloves, aprons and masks are available for those staff requiring them in specific situations.</p> <p>Stocks to be reviewed on a weekly basis and replenished as necessary.</p>		<p>national shortages once schools are re-opened. School will not remain open if sufficient hygiene materials cannot be provided.</p> <p>Significant order placed on 12.06.20 with no concerns over delivery.</p>
L	<p>Insufficient or unsuitable cleaning regime - lack of regularly re-assessment and revision to high risk areas such as toilets, door handles, keypads, switches, hand rails and regularly used hard surfaces etc.</p>	<p>Cleaning contractors are supplying more staff than usual to the school for the number of rooms used to ensure increased attention to all areas and will be following government guidelines for cleaning during the pandemic. Restricting children to the certain rooms and keeping other areas out of bounds will help to focus the cleaning efforts.</p>	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		<p>In addition, staff will be supplied with disinfectant wipes for use, if necessary, during the day.</p> <p>This provision will be regularly reviewed and updated if necessary.</p>		
M	<p>No precautions to keep shared teaching equipment (e.g. musical instruments, pens, pointers, keyboards) hygienic.</p>	<p>Shared equipment will be kept to a absolute minimum and, if it is necessary (for example in OLED activities), it will be thoroughly sanitised between uses and staff and pupils will be asked to sanitise their hands before and after use. Year 10s will not be required to bring in any of their own equipment. The space being used allows for sufficient SD such that these pupils have no need to come into contact with others' property and rooms will be cleaned thoroughly after use. Rooms used for half of the Year 10 DABS on the morning of 25th June won't be used again for the other half until 26th June to allow for sufficient cleaning. Similarly, rooms used for half of the Year 10 DAGS on the afternoon of</p>	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		<p>25th June won't be used for the other half until 26th June to allow for sufficient cleaning.</p> <p>Staff will be provided with disinfectant wipes in their rooms to allow for wiping down during the day where necessary.</p>		
N	High risk areas not being regularly monitored (including boarding areas) for hygiene.	Isolation rooms will be deep cleaned if used (after being left for 72 hours if possible) and if a member of staff or pupil has a positive test then their entire classroom will be deep cleaned.	Low risk	
O	No contingency plans in place for the transition to full opening (or re-closing) including rapidly sharing updates and decisions.	Plans in place for the part time return of years 2, 3, 4, 5, 10 and 12 from 22.06.20 and being communicated to parents.	Low risk	
P	All hazards identified properly mitigated and regularly re-assessed?	Regular meetings of CPAT to review.	Low Risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

Pupils, Parent and Staff Risk Assessment in the COVID-19 Environment

	Hazard	Control Measures	Outcome	Remarks / Re-assessment
1	Communication channels not working and not being reviewed. (Email, text, facebook etc).	Various communication channels employed to ensure as many people as possible are captured - email, social media, website. Where communications are urgent a text will also be sent to alert the recipient that there is an email to be checked.	Low risk	
2	Lack of a robust feedback and reply system to ensure best practice and two-way communications for pupils, parents, staff and governors	Pupils, parents, staff and governors are all aware of how to contact SMT to give feedback and ask questions	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		and all queries will be responded to. Regular surveys are currently sent to pupils for feedback on the provision in place.		
3	No Governor and / or SLT member for school / department nominated to be responsible for COVID-19 matters. Governor / SLT members' contact details not known and not on call.	Principal and Bursar as SLT leads: chairman and H&S link governor.	Low risk	
4	No system to communicate with parents and staff that have not returned to school for fear of infection.	We will continue to communicate with all parents through the channels outlined in 1 above	Low risk	
5	Lack of rules / procedures for hygiene standards for staff and pupils – and failure to adequately enforce standards	Letter/handbook sent to all staff and parents regarding the SD and hygiene rules in school and regular reminders will follow. Posters in school will also act as a reminder. Staff will ensure pupils wash their hands with soap and water at regular intervals including on entrance to school and hand sanitiser will be provided in all classrooms and communal areas.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

6	Staff not trained or regularly updated in COVID-19 symptoms, SD and how these rules apply to teaching?	Staff have been made aware of the symptoms of COVID 19 and any updates from the government will be passed on. Staff have been made aware of the SD, hygiene and infection control policies and procedures both in writing and at staff meetings and understand how these apply to their role.	Low risk	
7	School transport not operating to reflect SD, hygiene, PPE and cleaning arrangements.	No school transport is operating at this time.	N/a	
8	At drop-off and pick-up parents remain in vehicles and SD outside gates and entrances.	Year 10 drop off and pick up times have been staggered to avoid the Year 6 group that are also on site.. Parents are expected to remain in their vehicles whilst dropping Year 10 pupils off.	Low risk	
9	Insufficient registration throughout the day including lack of temperature / health checks.	Registration will take place as normal, at normal times. Temperatures will be taken of all staff, pupils and visitors (if any) showing signs of the virus or if	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		others suspect they may have signs of the virus.		
10	Transit spaces (corridors), social zones (car parks, common rooms, playgrounds) not being configured to SD rules.	<p>A one way system will be set up for the parts of the senior school that are being used and signage will be in place. Pupils will also be given a map of the new system to help them. Year 10s are expected to spend most of their day doing activities outside in any case and will be supervised at all times.</p> <p>Staff room will be limited to no more than 5 people at a time and staff will be expected to adhere to SD whilst in there - staff will be encouraged to remain in their teaching room as much as possible.</p> <p>No assemblies will take place at this time.</p>	Low risk	
11	Learning and recreational spaces not configured to SD rules.	<p>Numbers in classrooms will be limited.</p> <p>Chairs will be removed to ensure that pupils spread out to allow for</p>	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		<p>as much distance as possible. Pupils will be encouraged to stay at their own desk in any classroom session.</p> <p>Outdoor activities will be supervised in different areas to keep small groups apart. There will be no unsupervised break times.</p>		
12	Lack of consideration of different age groups provided for in timetabling, length of the school day and exposure to other age groups.	Year 10 pupils are in for half day supervised activities only which are entirely off timetable. There should be no exposure to other year groups during their time on site.	Low risk	
13	No system in place to deal with bereavements, trauma, anxiety, behavioural issues.	Our usual pastoral system, including the support of the Nurse, Counsellors and Chaplain remains in place to deal with such issues.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

Pupil and Staff - Safety Risk Assessment in the COVID-19 Environment

	Hazard	Control Measures	Outcome	Remarks / Re-assessment
1	Lack of review, update or sharing of safeguarding, code of practice, and staff handbook policies.	All of these regularly reviewed, updated and shared.	Low risk	
2	DSL and ADSL not easily contacted and their contact information not known to all.	DSLs and ADSLs contactable at all times and all staff are aware of how to contact them.	Low risk	
3	No COVID-19 specific policy that includes medical responses, SD, teaching, socialising, feeding, hydration, well-being etc.	Policy formalised.	Low risk	
4	Fire drills, routes and assembly points not rehearsed.	No change to fire routes or assembly points and the procedures have already been rehearsed as required this year. Reminders given to staff and pupils that fire safety trumps SD rules and,	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		in the event of a fire, to leave by the usual exit even if this goes against the one-way system set up in corridors/stairs. In the event of a fire, staff and pupils will go to their usual assembly point but staff will attempt to ensure that the pupils adhere to SD as much as possible whilst at this point.		
5	Class sizes not reduced and kept together in their "bubble" (minimising contact with others) or properly supervised.	Numbers of pupils in each group will be kept to a minimum to allow for SD to apply as much as possible in classrooms and during outdoor activities.	Low risk	
6	Needs of each age group and class not considered separately in terms of support, activities and facilities.	Days will have a pastoral focus and have been designed and led by the Heads of DABS and DAGS.	Low risk	
7	Staff not having sufficient down time / rest during the working day / week?	Pastoral staff will be able to plan ahead for their time in school with Year 10 to allow for changes to their distance learning with other groups. Non-teaching staff (OLED and Games typically) will be used	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		as much as possible for the outdoor activities.		
8	Lack of new staff and pupil induction. Registration and recruitment processes not adapted or compliant.	Not applicable to 22 June phased return as no new staff or pupils.	Low risk	
9	SCR and required documents not properly verified or recorded.	Any recruitment activity will adhere to Safe Recruitment Procedures and required documents will be verified in line with new guidelines.	Low risk	
10	Plans to working and learning outside not fully considered	Standard operating procedures allowing for SD will be followed.	Low risk	
11	Opportunities for non contact sport, adventure play, Forest School, gardening etc not regulated or considered	Outdoor activities will be in small groups and planned to allow for appropriate SD and the following of all government guidelines regarding those activities.	Low risk	
12	Sporting, play and SD rules unclear to staff, pupils, parents and visitors.	Outdoor activities will be in small groups and planned to allow for appropriate SD and the following of all government guidelines regarding those activities.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		There will be no unsupervised break times for these groups.		
13	Drama, dance and music activities not applying SD or hygiene rules	No such activities taking place at this point.	Low risk	
14	Risk assessment for sport, play, drama, dance and music activities not properly formulated.	Separate risk assessments in place for all outdoor activities.	Low risk	
15	Staff meetings and staff rooms unregulated in terms of space, equipments, resources (copiers, kettles, biscuits tins etc) timings, SD and purpose.	<p>Both junior and senior school staffrooms will be initially limited to 5 people and staff will be encouraged to stay in their teaching rooms as much as possible. All shared computers in the senior workroom and junior staff room will be disconnected and staff will be told to use their own chromebooks/classroom computers only.</p> <p>Biscuits won't be provided at this time for staff and they will be asked to bring their own (nut free) snacks if necessary.</p> <p>Staff will be encouraged to wash their hands immediately after using</p>	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		a shared resource such as a photocopier.		
16	Security, CCTV and access systems not regularly checked, updated and (where necessary) re-coded.	All checked as normal.	Low risk	
17	Parent, Pupil, Staff, Contractor, Visitor drop-off and pick-up procedures, in and out routes not been shared, understood or applied.	Drop off and pick up procedures to be communicated to parents in return to school letter/handbook with regular reminders given if necessary. Staff will be given rules in writing and at staff meetings and will be regularly reminded if necessary. Cleaning contractors to be given instructions on arriving safely and on SD rules whilst on site (at the end of the day only when minimal children and staff are around). Other contractors and visitors only to be allowed on site where essential and will be accompanied.	Low risk	
18	Transit spaces (corridors), social zones (common rooms / playgrounds) not configured to SD rules.	Corridors will have minimal activity due to key worker children being kept to the Jenifer Cole Room/Library and the three year 6	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		groups being kept to the Drama Studio, Girls' Art Room and Lumsden building. Year 10 groups will be given a one-way system map and signs will be visible throughout the spaces used. No indoor common rooms to be used.		
19	Classrooms don't reflect SD layout, PPE, screening and regular cleaning rules.	Chairs will be removed to ensure that pupils sit in a SD manner for their classroom pastoral session. PPE will be supplied in each classroom in the form of tissues (and lidded bins in which to dispose of them), disinfectant wipes and hand sanitiser. Staff will be encouraged to use disinfectant wipes to wipe down desks and equipment throughout the day and thorough cleaning will take place each evening.	Low risk	
20	Minimising contact and mixing not effective in the classroom and during breaks.	Rules to be set out to pupils initially and regular reminders given out. Teachers instructed to encourage SD throughout the day.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

21	No regular breaks for handwashing during the school day.	Staff and pupils will be asked to wash their hands on entry to the school and teachers will ask pupils to wash their hands/use hand sanitiser at various points during the sessions.	Low risk	
22	Insufficient hygiene stations at entrances, exits, toilets, classrooms, play areas, common rooms, staff areas etc	Plenty of soap and water provided in all toilets and hand sanitiser supplied in every classroom and all communal areas.	Low risk	
23	Hygiene stations not stocked, checked and cleaned regularly.	Stocks of tissues, soap, hand sanitiser, gloves, aprons and masks (the latter three for use by the Nurse and others who may have to be in very close contact with children) reviewed regularly by the Nurse and replenished as necessary.	Low risk	
24	Unnecessary items not removed from classrooms and other learning environments.	All classrooms set up in w/c 15.06.20 and reviewed by the Bursar/Principal during that week to ensure all unnecessary items have been removed.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

25	Soft furnishings, soft toys and items that are hard to clean not removed and stored securely.	All classrooms set up in w/c 15.06.20 and reviewed by the Bursar/Principal during that week to ensure all unnecessary items have been removed.	Low risk	
26	Staff unable to manage, whilst in the transition phase, both in school and remote learning.	Use of google classroom for in school learning will facilitate this.	Low risk	
27	Assemblies, break times, drop-off and collection times not sufficiently well staggered.	Assemblies not happening in person in this first phase of re-opening. No break times for this year group as only in for half days.	Low risk	
28	Meal times not de-conflicted or possible to achieve SD in the servery and dining areas whilst still providing sufficient nourishment.	As year 10 pupils and staff are only in school for a half day at a time, no lunches will be provided.	Low risk	
29	Hazards and risks of providing breakfast and after school clubs not understood.	Breakfast and After School Club cannot be safely provided for the number of children due to be in school from 22 June therefore the provision will continue for key workers' children only up to year 9 only.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

30	Medical advice for vulnerable staff not being followed and insufficient support.	<p>All vulnerable staff who are wanting to return to school are undergoing an individual risk assessment with the Nurse.</p> <p>If it is felt that they are safe to be in school, any reasonable adjustments needed to keep them safe will be documented, implemented and reviewed regularly.</p>	Low risk	
31	Pupil and staff mental health and wellbeing not properly considered with individual needs not identified or support. (14.5.20)	<p>Our usual pastoral system, including the support of the Nurse, Counsellors and Chaplain remains in place to deal with such issues.</p> <p>05/05/20 letter to all employees covered support for mental health issues</p>	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

Medical Risk Assessment in the COVID-19 Environment

	Hazard	Control Measures	Outcome	Remarks / Re-assessment
1	Science of risk not understood e.g. less severe symptoms in adults, younger children less likely to become unwell, small class sizes will help.	Government guidance followed as a minimum and shared with staff.	Low risk	
2	Hygiene rules not effective. "catch it, bin it, kill it" not re-publicised or applied.	Regular reminders as previously noted.	Low risk	
3	No / insufficient staff supervising / supporting normal medical staff?	Nurse to be on the junior site every day due to the significant numbers of pupils and staff on that site but is contactable for issues at the senior school at all times. Sufficient first aid trained staff to be on both sites at all times to support and clear guidelines provided to staff from the Nurse regarding how to deal with various scenarios.	Low risk.	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

4	Insufficient medical staff to deal with temperature testing, isolating and monitoring suspect COVID-19 cases, outside appointments and normal medical issues.	First aider to be on site every day and, under the guidance of the Nurse, will be able to deal with any suspected cases with clear guidelines drawn up for temperature testing, isolating and use of PPE. Sufficient first aiders plus Nurse on site to deal with normal medical issues.	Low risk	
5	Insufficient First Aid trained personnel (ratio) for pupils in school	Supervision rotas to include sufficient first aid trained staff.	Low risk	
6	No or insufficient training for those operating temperature testing or other precautions that require new equipment. Training not recorded for future reference.	First aiders/Nurse if available to conduct any temperature testing if COVID is suspected.	Low risk	
7	Medical policy, procedures and appropriate response to spectrum of medical issues not being revised or shared?	Guidelines regularly reviewed and shared.	Low risk	
8	Medical room(s) improperly equipped.	Stocks of PPE regularly reviewed by the Nurse and replenished when necessary.	Low risk	
9	Lack of School decision regarding the level of PPE required for pupils and staff. Insufficient training, face fit testing, use, care and disposal arrangements.	PPE to be provided is in line with government guidelines and	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		therefore will be limited to tissues, soap and hand sanitiser for most. Staff who are required to have close contact with a child (for example through intimate care) will be provided with gloves, aprons and masks and trained in correct use by the Nurse. Face masks are not to be provided to all staff and pupils, in line with government guidance, due to the potential hazards of incorrect use. However, staff and pupils will not be prevented from using their own should they wish to. In such cases, the Nurse will discuss with the individual staff member/parent the correct use and hazards of incorrect use.		
10	Sickness management rules and the "don't come to work if you are ill" not understood or observed.	Regular reminders to be given to staff and parents regarding not coming into school with symptoms or during any imposed self-isolation period.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

11	School unaware of any staff and pupil pre-existing medical conditions.	Annual health assessments recorded and all staff and parents asked about any medical issues that make them higher risk as part of return to school questionnaires.	Low risk	
12	Lack of knowledge on whom has been tested (positive or otherwise) for COVID-19 and if it is recorded (for elimination purposes). (16.5.20) and/or insufficient information on which staff or pupil(s) have had contact with anyone tested positive or suspected of COVID-19 and if recorded and actioned.	All parents/staff to be reminded to inform Schools about their COVID status once reopened and also to inform the Schools if they have been in contact with someone who has tested positive. Staff records kept by HR.	Low risk	
13	Lack of recording of which staff and pupils have been sent home with COVID-19 symptoms (a cough, high temperature or shortness of breath).	Nurse to keep records of those sent home with symptoms and they won't be allowed to return until either a test proves they are negative or the required self-isolation period has passed.	Low risk	
14	Lack of regular dialogue with those that have suffered from COVID-19 and / or are isolated at home.	Nurse/HR to contact in line with accepted policies.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

15	Inadequate information on who is shielding another family member and/or who has a condition that precludes their attendance at school. (14.5.20)	All staff and parents asked about such scenarios as part of return to school questionnaires.	Low risk	
16	No separate area for temperature testing, holding and isolation of pupils/staff. Areas not easily identified or regularly cleaned?	Isolation rooms set up at school with clear notices and will be used if any pupil/staff member shows symptoms until they can be collected. More than one room available for use if necessary. After use, room will ideally be closed up for 72 hours before being thoroughly cleaned and open for use again. This will be achieved by having the use of more than one room. If necessary to clean and use in less than 72 hours, PPE will be worn by the person cleaning the room thoroughly.	Low risk	
17	Temperature testing undertaken using unsafe methods, not reflecting SD rules, not recorded or kept appropriately.	Only conducted by nurse or trained first aiders in accordance with published procedures.	Low risk	
18	Insufficient or no procedure for summoning emergency services, lack of safe RV and cleared routes in and out.	No change to usual procedures.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

19	Visits of or to GPs / nurses / dentists and local surgeries changed and not known by staff and or pupils (16.5.20)	No anticipated visits of any outside medics and pupils and staff with medical appointments will be dealt with in the usual way. Returning to school after a medical appointment will require handwashing on entry.	Low risk	
20	No regular supervision of staff and pupils to ensure they comply with hygiene rules (and the use of PPE where specified as needed)	Staff will supervise their own group of pupils to ensure they comply with SD and hygiene issues and any issues will be reported. Staff will be provided with regular reminders on the rules but will not be physically supervised due to the need to minimise the amount of contact with individuals outside their group.	Low risk	
21	Insufficient registration, induction, supervision and temperature checking of contractors where essential work is required on site.	Any essential contractors will be required to sign in at reception and will be asked to sanitise their hands immediately. Contractors will be supervised where possible but will also be given clear instructions on entry regarding SD and hygiene. Contractors will not come into contact with pupils and are unlikely	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		to come into contact with many staff members.		
22	Medical staff have insufficient or unsuitable PPE, cleaning materials and training for tasks.	The Nurse and any first aiders on site to be provided with full PPE and sufficient cleaning materials. The Nurse, who is a Registered Nurse and fully trained, is keeping up to date with the regular guidance given by Public Health England and cascading this to all staff.	Low risk	
23	Lack of policy / procedures on washing school clothes so as to prevent infection of staff and pupils.	Pupils are being asked to come in non-uniform, in easy to wash clothes that are also appropriate for outdoor activities. This will be communicated to parents in the initial return to school letter/handbook and regular reminders will be sent if necessary. The same guidance is to be given to staff.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

Support Staff Risk Assessment in the COVID-19 Environment

	Hazard	Control Measures	Outcome	Remarks / Re-assessment
1	Support staff not briefed on changes regularly.	Support staff to have the same regular briefings as teaching staff. For any partial opening many support staff will be able to continue to work from home. Those physically required to be on site, in some cases on a rota with their colleagues, will be catering staff, senior school office staff, Estates team and IT staff.	Low risk	
2	Support staff have insufficient/inappropriate PPE, cleaning materials and training.	Tissues and hand sanitiser to be provided in every room. Estates staff and first aiders to be provided with aprons, gloves and masks if it is necessary for certain cleaning jobs or close contact with poorly	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

		children. In the case of dealing with poorly children in the Nurse's absence, the Nurse's clear guidelines for infection control are to be followed.		
3	Cleaning regimes not reviewed or inspected regularly and not conforming to revised hygiene rules.	Will be reviewed on at least a weekly basis both in-house and with cleaning contractors.	Low risk	
4	Security and access systems not regularly checked, updated and re-coded.	Same procedures as normal. Sanitiser to be provided at entrances.	Low risk	
5	Reconfigured areas, zones and routes hampering fire exits and routes.	Estates team to review and sign off that this is not the case.	Low risk	
6	Fire and other emergency procedures not reconfigured, routes not clear or regularly inspected.	Existing fire routes and procedures will be able to operate and are not impeded by reconfigured areas.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

Facilities Management Risk Assessment in the COVID-19 Environment

	Hazard	Control Measures	Outcome	Remarks / Re-assessment
1	Insufficient heating and/ or cooling system (including insufficient fuel levels if applicable).	Checked and working as normal. All normal maintenance has been carried out at the Senior School during the period of closure and the site has been housing key worker children from 1.06.20.	Low risk	
2	Insufficient gas supply, venting and valves?	Checked and working as normal. All normal maintenance has been carried out at the Senior School during the period of closure and the site has been housing key worker children from 1.06.20.	Low risk	
3	Air conditioning units, ducts not checked on re-occupying school facilities.	Checked and working as normal. All normal maintenance has been carried out at the Senior School during the period of closure and the site has been housing key worker children from 1.06.20.	Low risk	

COVID-19 Risk Assessment for Phased Return to Schools (Year 10 to return part time on 25th and 26th June)

4	Ventilation and extraction systems not checked.	Checked and working as normal. All normal maintenance has been carried out at the Senior School during the period of closure and the site has been housing key worker children from 1.06.20.	Low risk
